

GOD'S WARNING TO US

*A warning God sends at this time of the end,
By the prophet Malachi:
"Remember the law of Moses my friend,
Which I gave him on Mount Sinai.*

*Remember the statutes and judgments too;
Remember My holy days.
I've given them for a sign to you,
To keep you in all your ways.*

*My holy days you must always keep-
Their time are appointed by Me;
Or else, on you, My wrath I'll heap,
From which you cannot flee.*

*To Moses My servant, I gave My law;
My voice did Israel hear,
But when the lightnings and smoke they saw,
They stood far off in fear.*

*From ancient days, our fathers strayed
From His holy, righteous way,
And all His laws they disobeyed;
But we should know better today.*

*God sent His Son to live and die,
To save us from our sin;
To send His spirit, that you and I
Might have His love within.*

*We must not subtract, nor ever add to
His Words from the mount of fire,
For, as it is written: "Let God be true,
But every man, a liar."*
