

"GOD'S WORLD VERSUS SATAN'S WORLD"

*When I think of the world tomorrow,
I consider God's marvelous plan,
To take away sin and sorrow,
And bring peace on earth to man.*

*This World of Satan's, by contrast,
Is so very much inferior.
The kingdom of God, so vast,
is infinitely superior.*

*Man's inhumanity toward man-
Breeds hate, which leads to war,
It's been that way since time began,
Continues still, thus far.*

*We've broken all of God's commands,
His holy Sabbaths profaned,
The law He sent by Moses' hand,
This should have been proclaimed.*

*We need to turn our hearts away
From Satan's world of sin,
And set our minds on God's true way,
A new life to begin.*
