

WHAT IS OUR RESPONSIBILITY?

To God's scattered Brethren,

Prophesied events are rapidly approaching. Now is not-the time to be asleep or laid back. Today is a day of great deception and there is cause to be concerned. There are those who have known the truth yet refuse to remain steadfast and endure unto the end. We do not have 15 or 20 more years left before the tribulation begins. The end of this age is now very near. This is the hour when we need spiritual discernment and understanding so we will be delivered from the strong delusions and snares set to catch those who are asleep. "But of the time and the seasons, brethren, ye have no need that I write unto you. For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. But ye, brethren, are not in darkness, that that day should overtake you as a thief. Therefore let us not sleep, as others do, but let us watch and be sober (minded)" (I Thess. 5:1-4,6).

As God's firstfruits, it is our duty and responsibility to warn those who have an open mind as to where in prophecy we are right now and what is the way to escape the Great Tribulation that lies just ahead.

The nature of the responsibility that rest upon each watchman is explained by Ezekiel. "But if the watchman sees the sword coming and does not blow the trumpet, and the people are not warned, and the sword comes and takes any person from among the, he is taken away in his iniquity; but his blood I will require at the watchman's hand" (Eze. 33:6). The prime requisite for the watchman is vigilance. He must be constantly alert in the performance of his duties.

Prophecy and chronology clearly indicate that this is the generation upon which the end of the age has come; Joel the prophet recognized the great and terrible day of the Lord in our generation. "Blow the trumpet in Zion, and sound the alarm in My holy mountain! Let all the inhabitants of the land tremble; for the day of the Lord is coming, for it is at hand" (Joel 2: 1). It behooves the Churches of God to rouse from their spiritual lethargy and seek repentance and humiliation. Too many of them feel rich and in need of nothing.

As the Church of God, In Truth, patiently await the dawn of a new era, it is essential we continue to proclaim-the-facts and sound the alarm in an endeavor to arouse as many as possible to the coming conflict for the enemy will strike before the breaking of the new day.

As God's practicing kings and priests, we cannot let down in our responsibility to humbly serve our brothers and sisters. Don't let Satan discourage you and in this process steal the crown that God is eagerly waiting to give you. You are being warned now before Passover on March 25, 2021.
