

A TIME OF TRIAL

Do we, God's people, realize
What's happening before our eyes?
Anti-Christ's are all about,
Spreading evil seed of doubt.

There are those who now deny
Our Saviour came, for us, to die;
And that God's spirit dwells today
In all of us who will obey.

Once we understood God's plan,
But now we put our trust in man.
Once we trusted in God's Word,
Proving everything we heard.

Some have completely turned away,
Following in Satan's sway;
Far removed from their foundation;
Heading for great tribulation.

The truth of God must be our guide;
For all, by Satan, must be tried.
When Christ was tried, He did prevail;
And with His help, we will not fail!

God's Word must live within our hearts;
And from it we must not depart.
Make no addition or reduction;
For this would lead to our destruction!
