Plans are now being made to keep the Feast of Tabernacles in the Philippines. Discover the wide beautiful beaches and the isolated coves. Marangkalan, in the city of Ivisian, in the province of Capiz, where we will be keeping the Feast this year. The site is private, quiet and very conducive to fellow-shipping and Bible Study!

Nearby Roxas City offers many hotels and restaurants. Sea foods are fresh, cheap and very delicious. People know each other, so you wont get lost if you are a first timer. Capizenos are very accommodating, heartwarming and loving people. There are many activities, including beautiful beaches for swimming and other beach sports.
